Caution concerning forward-looking statements

Statements made in this press release, other than those concerning historical financial information, may be forward-looking and therefore subject to various risks and uncertainties. Some forward-looking statements may be identified by words like “may”, “will”, “anticipate”, “estimate”, “expect”, “intend”, or “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on such statements, as actual results may differ materially from those expressed or implied in such statements. Factors that could cause results to vary include, but are not limited to: dependence upon The Boyd Group Inc. and its Subsidiaries; cash distributions not guaranteed; inability to successfully integrate acquisitions; economic downturn; operational performance; rapid growth; loss of key customers; brand management and reputation; insurance risk; quality of corporate governance; tax position risk; risk of litigation; acquisition risk; credit & refinancing risks; dependence on key personnel; employee relations; decline in number of insurance claims; market environment change; reliance on technology; weather conditions; expansion into new markets; fluctuations in operating results and seasonality; increased government regulation and tax risk; Canadian tax related risk; execution on new strategies; operating hazards; energy costs; U.S. health care costs and workers compensation claims; low capture rates; key supplier relationships; capital expenditures; competition; potential undisclosed liabilities associated with acquisitions; foreign currency risk; margin pressure; acquisition and start-up growth and ongoing access to capital; environmental, health and safety risk; interest rates; unitholder liability limitation and the Fund’s success in anticipating and managing the foregoing risks.

We caution that the foregoing list of factors is not exhaustive and that when reviewing our forward-looking statements, investors and others should refer to the “Risk Factors” section of the Fund’s Annual Information Form, the “Risks and Uncertainties” and other sections of our Management’s Discussion and Analysis of Operating Results and Financial Position and our other periodic filings with Canadian securities regulatory authorities. All forward-looking statements presented herein should be considered in conjunction with such filings.
