**Chicago, Illinois – August 9, 2018** – The Boyd Group Inc. (the “Boyd Group”) today announced the August 3, 2018 acquisition of a collision repair center in Kenosha, Wisconsin. This center was previously operated as Jay-Bee Collision Repair Center. Kenosha is located in southwestern Wisconsin, about 65 miles north of Chicago and 40 miles south of Milwaukee. This new center is situated four miles from Interstate 94, the well-traveled highway that connects Wisconsin to Northern Illinois.

“We are pleased to establish a presence in Wisconsin with the acquisition of a center that has been serving its community for 73 years” said Tim O’Day, President and COO of the Boyd Group. “While our first in the state, this center will benefit from synergies with our Illinois centers located less than 35 miles south. We look forward to introducing Wisconsin’s customers and insurance providers to Gerber Collision & Glass’ trusted brand and quality service.”

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Stephen Boyd at the contact coordinates below for more information.
