

Gerber Collision & Glass Acquires 3 Additional Carubba Locations in New York

Chicago, Illinois – April 15, 2019 – The Boyd Group Inc. (the “Boyd Group”) announced today the acquisition of three collision repair centers, including one intake center, located in the Buffalo, New York, area. The shops are located in Buffalo, Cheektowaga and East Amherst.

The locations previously operated as Carubba Collision, under the ownership of Sam Carubba for over 40 years. Gerber Collision & Glass previously acquired 18 other repair centers that were branded Carubba Collision and operated by Joe Carubba. Those acquisitions took place in early March 2019.

“We are excited to expand our footprint in New York state, helping to reinforce our brand and providing the high-quality service customers in this region have come to expect,” said Tim O’Day, President and COO of the Boyd Group. “We look forward to also better assisting our insurance partners with these acquisitions.”

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Stephen Boyd at the coordinates below for more information.
