

Gerber Collision & Glass Acquires Location in Gonzales, Louisiana

Chicago, Illinois – October 9, 2019 – The Boyd Group Inc. (the “Boyd Group”) today announced the opening of a collision repair center in Gonzales, Louisiana. The location previously operated as Precision Collision Center since being built 19 years ago.

Gonzales is known as the "Jambalaya Capital of the World" as a result of its well-known annual Jambalaya Festival attended by more than 25,000 people. Gonzales is approximately 25 miles southeast of Baton Rouge and 60 miles northwest of New Orleans.

“The acquisition of this repair center will help fill a void between large market areas in Louisiana,” said Tim O’Day, President and COO of the Boyd Group. “We look forward to providing the high-quality service that customers and insurance partners have come to expect in this region.”

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Stephen Boyd at the coordinates below for more information.
