

Gerber Collision & Glass Acquires Two Locations in Alabama

Chicago, Illinois – November 4, 2019 – The Boyd Group Inc. (the “Boyd Group”) today announced the acquisition of two collision repair centers in Alabama. The location in Huntsville originated in 1981 and has operated as Quality Body Shop. The location in Pelham has operated as Oak Mountain Body Shop since 2001.

“Acquiring these two repair centers strengthens our brand in the Birmingham region,” said Tim O’Day, President and COO of the Boyd Group. “We look forward to building on the high-quality service delivered by these locations to customers and insurance partners in this market.”

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Stephen Boyd at the coordinates below for more information.
