

# Gerber Collision & Glass Acquires Two Repair Centers in Denton and Flower Mound, Texas

**Chicago, Illinois – April 29, 2021** – The Boyd Group Inc. (the “Boyd Group”) announced the acquisition of two collision repair centers in Texas.

The repair centers operated as Pro Care Collision, founded in 2001 with a location in Flower Mound followed by the addition of a Denton location in 2017. Both cities are located within the Dallas-Fort Worth metropolitan area with a population nearing 7.3 million. Denton is about 40 miles northwest of Dallas and is the 24th largest city in Texas. Flower Mound is located approximately 28 miles northwest of Dallas and is experiencing rapid growth as a result of proximity to a major airport and well-traveled highways.

“The acquisition of these two repair centers reinforces our commitment to growing our brand and strengthens our ability to deliver high-quality repairs,” said Kevin Burnett, COO of Gerber Collision & Glass. “We welcome these teams and look forward to serving customers and insurance partners in these communities.”

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Jason Hope at the coordinates below for more information.
